International Ecumenical Congress

27.–28.8.2014

Maritim Hotel Berlin
(Tiergarten)

www.MissionRespekt.de

Dear Sisters and brothers, who engaged for an ecumenical and missional church,

"Mission belongs to the very being of the church."

The Document "Christian Witness in a Multi-Religious World - Recommendations for Conduct" signed and published by the World Council of Churches, the Pontifical Council for Interreligious Dialogue and the World Evangelical Alliance in 2011 starts with this statement and offers guidance for mission in respect in multi-religious contexts.

The International Ecumenical Congress "MissionRespekt. Christian Witness in a Multi-Religious World" will explore how such an understanding of mission and evangelism can be lived out in a responsible way in Germany and worldwide. From August 27 through 28, 2014, we will present in Berlin ecumenical learnings to a wider public and for that about 20 churches and church organizations have joined in a historically unique process.

Inspired by experiences from other contexts and by impulses from lectures and workshops we wish to engage with present challenges for our praxis and to advance in defining concrete steps for an implementation of the document's proposals in Germany.

We are looking forward to your joining us in Berlin
